

Master's Degree lesson timetable
'Geophysical Sciences for Seismic Risk'
A.Y. 2024/2025 - YEAR I - Semester I

	mon	tue	wed	thu	fry
h 9:30-10:30	Seismic monitoring and surveillance Prof. Debora Presti	Seismic monitoring and surveillance Prof. Debora Presti	Environmental Geology Prof. Giovanni Randazzo		
h 10:30-11:30	Seismic monitoring and surveillance Prof. Debora Presti	Seismic monitoring and surveillance Prof. Debora Presti	Environmental Geology Prof. Giovanni Randazzo		
h 11:30-12:30	Seismic Risk Prof. Giancarlo Neri	Seismic Risk Prof. Giancarlo Neri	Physics of environmental processes Prof. Salvatore Magazù		
h 12:30-13:30	Seismic Risk Prof. Giancarlo Neri	Seismic Risk Prof. Giancarlo Neri	Physics of environmental processes Prof. Salvatore Magazù		
h 14:30-15:30	Physics of environmental processes Prof. Salvatore Magazù		Environmental Geology Prof. Giovanni Randazzo		
h 15:30-16:30	Physics of environmental processes Prof. Salvatore Magazù		Environmental Geology Prof. Giovanni Randazzo
